CHIANTI CLASSICO

CHIANTI CLASSICO

Tanzer's IWC on the 2008: 91 POINTS "Enticing aromas of red cherry, violet, red rose and cinnamon. Very fresh and light on its feet, with pure, perfumed flavors of red cherry, rose and tobacco. Finishes wonderfully long, smooth and mineraly. This perfumed wine really reminded me of nebbiolo!"

Tanzer's IWC on the 2007: 92 POINTS "Complex aromas of red fruits, gunflint, white pepper and violet. Then sweet, supple and silky in the mouth, with rather suave red fruit, tobacco and sweet spice flavors. The firm finish features building chewy tannins, sneaky length and a persistent floral note."

CEPPARELLO

Parker's WA on the 2005: 92 POINTS "Classy and elegant, it possesses well-delineated vibrant dark red fruit intermingled with toasted oak and minerals. It remains quite fresh and will require a few years of bottle age to develop its full range of aromas and flavors... 100% Sangiovese aged in French oak. Once again, Paolo De Marchi has turned out a superlative wine. Anticipated maturity: 2010-2020."

Parker's WA on the 2004: 95 POINTS "It boasts layers of vibrant fruit intermingled with subtle mineral and licorice notes, showing outstanding length on the palate and fine, noble tannins. A wine of extraordinary elegance, it has been stunning on the two occasions I have tasted it so far... It is highly recommended. Anticipated maturity 2009-2022."

COLLEZIONE DE MARCHI CHARDONNAY

Parker's WA on the 2007: **90 POINTS** "bursting with varietal tropical fruit layered into notes of French oak and minerals... one of the few Tuscan Chardonnays that offers exceptional balance and tons of pedigree." **WS: 91 POINTS**

COLLEZIONE DE MARCHI SYRAH

Parker's WA on the 2004: **91 POINTS** "shows a generous quality in its dark, jammy fruit... its pedigree is unmistakable."

COLLEZIONE DE MARCHI CABERNET SAUVIGNON

Parker's WA on the 2001: **93 POINTS** "lovely in its focused and layered expression of blackberry fruit, vanilla, and minerals, savory in flavor, velvety in texture, and with the size and weight of a fine Medoc. Drink: 2006-2020."
